# Armacell partners with Istanbul's first pandemic field hospital

ArmaFlex® tubes and sheets – the preferred choice for the construction of the new healthcare facility at Istanbul's Atatürk airport.

[www.armacell.com](http://www.armacell.com)

ISTANBUL

937 boxes and 210 rolls of ArmaFlex® tubes and sheets delivered.

With a total bed capacity of 1,008 the hospital spans over a total area of 184,000 m<sup>2</sup>. Armacell contributed with 44,370 m of ArmaFlex® tubes and 1,500 m<sup>2</sup> of ArmaFlex® sheets for HVAC systems.

Beyond its outstanding thermal and acoustic performance, Armacell insulation products and solutions will play an integral role in contributing to the building's energy performance.

**WHERE:** Atatürk Airport, Yeşilköy, Istanbul, Turkey

**WHEN:** April - May 2020

**WHAT:** 44,370 m of tubes and 1,500 m<sup>2</sup> of sheets for HVAC systems

## Yeşilköy Multipurpose Emergency Hospital

// Project start: 9 April 2020

// Construction area: 184,000 m<sup>2</sup>

// Capacity: 1,008 beds
