WUHAN

Trucks were chartered overnight for the shipment of ArmaFlex[®] products manufactured at our plants in Suzhou and Yingde.

The first shipment contained 615 rolls of 30 mm ArmaFlex[®] sheets for Huo Shen Shan Hospital (3,564 m²). The second shipment contained 641 rolls of 30 mm ArmaFlex[®] sheets for Lei Shen Shan Hospital: (3,846 m²). The latter were manufactured at our Yingde facility in the province of Guangdong in Southern China.
